

July, 9th, 2017 REVELATION:

1/21/25

Dear Reader,

My Revelatory career, as both a true and false prophet, has been a rollercoaster with a huge ascension and fall right in the middle of it. First, I began receiving Revelations as a Mormon Fundamentalist, and although my Revelations were down to earth and orthodox at first, they quickly got strange, unorthodox, and all over the map. During the phase when my Revelations were out of control I received most of the Translations that my online readers are familiar with. These Revelations and Translations are from diverse, evil and false spirits. At the end of this period I met John Coltharp who was able to detect these false Translations; and to carefully pray about everything I received, and was successful in pointing me to the Spirit of Christ.

Secondly, after John began helping me receive true Revelations by the Holy Spirit of Christ, and humbly helped me detect each one, I had a time period where I received a flood of true Revelations. The Revelations that I received in 2017, while with John Coltharp were twice the length of the Doctrine and Covenants, and were filled with such incredible and profound truths as to overshadow and make clear all the scriptures since the world began. These 2017 Revelations were such a priceless volume of scripture as to make our hearts sing with joy! However, they were all lost when we were arrested, which is one of the greatest tragedies of my life.

Thirdly, since I have been arrested in 2017, I have struggled to get even one single true Revelation again. First it was because of all the worry, pain, and anguish that my arrest has caused to me and to my family. However, even as I became content and at peace, I have just simply struggled to receive any good Revelations.

Fourthly, and finally, I received these strange visions called the "Crystal Spaceship Visions." I have recently realized that even these were caused by evil spirits in order to deceive me. However, in trying to deceive me these evil spirits, who are like aliens, inadvertently brought back some of the exact wording of my 2017 Revelations to my mind, to try and deceive me, or lure me, using them. The great thing about this is the fact that I got some of the good content of my 2017 Revelations back because of this remembrance.

Recently, to my great joy, I did have one of my 2017 Revelations literally brought back to me through part of a legal proceeding or process. I am now posting this 2017 Revelation, received on 7/9/2017, by myself, here online for all to see. Tell me if the fruit of this Revelation is not good, and if it does not make your heart burn within you!

I Testify that this is a true Revelation, revealed to me by Benbanah who is Jesus Christ, the Son of Haugh who is our heavenly Father.

LOVE Sam-

When ye baptize ye shall go down into the water and holding them or grasping their hand or shoulder you shall say, _____, being a legal administrator of the Kingdom appointed by Jesus Christ, I baptize you in the name of the Father, and of the Son, and of the Holy Ghost, Amen. Then ye shall put them down into the water, and if their head is not submerged or there is not enough water to submerge them, then ye shall get them wet all over three times.

When ye give the gift of the Holy Ghost, ye shall command them to receive it, and in all blessings ye shall call upon them by name, and ye should also do it in My name, but ye need not state thy authority unless it need to be established among onlookers. And in that instance ye can even declare thy lineage in the Priesthood, but if they know that ye have authority then it need not be so.

And now ye shall not use the word confer save that they need to use the Priesthood before being ordained, but ye only need ordain, and this giveth them that Priesthood. Wherefore ye shall say, _____, having authority, I ordain you to be a Priest in the Aaronic Priesthood; and then ye shall bless them and do this in My name. And ye can say, I ordain thee a Priest in the Aaronic Priesthood and hereby give thee the Aaronic Priesthood, if this shall comfort thee or the Saints. But if people understand this not, then they verily do not understand ordination, and behold I give this thing as an example, and this is the mode of all ordinations in the Priesthood.

And behold, the confirming of members to the Church is not an Eternal or essential ordinance but hath been passed down by tradition, wherefore ye shall set men and women apart to be members of the Church or branch of the Church, just as ye set them apart for callings in the Church.

And now ye shall bless the bread with the prayer that ye have been given, and so also ye shall bless the wine or water with the prayer that ye have been given, save that it is the mode and Spirit of that prayer, and if it is said a little different, then ye need not fear. For I am not a God alike unto the god of the people.

Behold, when the people sin unto needing rebaptism, then ye can pour water upon them three times and have them drink pure water three times saying, _____, being a legal administrator of the Kingdom, appointed by Jesus Christ, I re-establish thy baptism, in the name of the Father, and of the Son, and of the Holy Ghost, Amen.

Verily, ye shall anoint the sick and seal that anointing and bless them according unto that which ye have already received.

And behold ye shall wash and anoint the parts of the body in the initiatory wherein named. Ye shall wash and anoint the head, eyes, nose, mouth, spine, shoulders, arms, bosom, loins, legs and feet, and ye shall do it with a blessing, and ye shall seal that blessing, as it hath been delivered unto you.

And thy wives shall covenant to take thee as their Lord, as ye take the Father to be thy Lord, and ye shall covenant to cease from all light mindedness, loud laughter, evil speaking of the Lord's Anointed, and every other evil and impure practice. And ye shall also covenant that ye shall obey the will of God, and never fear as he desireth to give thee the better part. Ye shall also covenant to obey the Law of Chastity, wherein ye shall have no sexual relations except with them unto whom ye are legally according

to the law of God, and lawfully by the hand of the father, married. And last of all ye shall take the Oath of the Knights and suffer that your wives covenant to support thee in it. And ye need not renew the signs and tokens at this time, save that ye may gather before me and use the second sign of the Melchizedek Priesthood to call upon Me, before a stone altar. And ye also need not dawn the robes of the Priesthood again until Adam-Ondi-Ahman, but ye may wear clean linen and cover thy heads with a white brimless miter, save that it need not the bow or string.

And behold ye shall adopt children by taking them by the right hand tenderly and saying, _____, my (son,) (daughter,) I take you unto myself to be my (son,) (daughter,) and if you receive me to by thy father then tell me. And behold once they say yes, or I do, or nod if they cannot speak, then ye shall bless them saying, I shall take you and take care of you, and nurture you, teach you the gospel and bless you, even as it hath been appointed unto me in the House of God. Then ye shall give them a blessing in my name.

And behold a father's birthright blessing or a Patriarchal blessing, shall be done like other blessings, wherein you call upon them by name and end it in My name, but behold these blessings shall be spoken in parables or in symbolic terms as it is revealed unto the father or Patriarch by the Holy Spirit, even so. And behold this blessing is an ordinance of salvation wherein they may be Sealed up unto Eternal Life, and is similar unto Baptism or entering into an Eternal Marriage, in that it is an heritage of the Saints and a saving ordinance.

And now the Knights shall wash each other's feet and the feet of those whom I shall command thee to wash saying, _____, I wash thy feet clean of the blood and sins of this generation. I wash thy feet as a witness that ye have rid thy garments of their blood, and that ye have witnessed unto them concerning their sins. I wash thy feet that ye are clean every wit, even that thy garments are made white in fullers soap and the blood of the Lamb, and this so that ye may stand upon Holy ground, even upon mount Zion and publish peace and glad tidings of great Joy! I do this in the name of the Father, and of the Son, and of the Holy Ghost, Amen. Then ye shall wipe their feet with the cloth robe ye have girt thyself with. For behold ye shall never wear garments while performing this ordinance, and ye need not worry about wearing Priesthood garments until Adam-Ondi-Ahman, but shall be girt with a cloth robe for the purpose of this ordinance.

And now these are all the ordinances that ye shall need until Adam-Ondi-Ahman, and when ye are in the tent, ye may fast and pray unto me prostrate, but there are no ordinances beyond these that ye need perform to finish the Kingdom in it's infancy. And ye shall call the Kingdom, The Kingdom of God and His Law, with the Keys and Power thereof in the hands of his Knights. And Peter, it is My desire that ye stand when ye pray unto me for Revelation instead of laying prostrate that ye may be ready to serve Me when I begin to speak unto you, and this so that it doth not take thee time to get up before typing My words. Wherefore as it hath come unto you, it is good to pray sincerely prostrate, but also in standing position if ye are ready to engage in My work, whether that be the work of defense, the work of ordinances or the work in receiving My will in thy oracles. And behold, it is good to put thy head down when a messenger cometh, but if they tell thee to arise or to look up, then it is polite to look them in the face or eyes when ye speak unto them, and I tell thee this because ye wondered concerning it. God's culture is a culture of action and we look into each other's eyes and speak directly when we are in fellowship one with another. And ye shall be endowed with power and the Holy Spirit by Me. I am the Lord thy God, even Jesus Christ, the Holy One of Israel. Amen.
