

11. Now I Abraham, seeing that Beth-Man's, being his first residence in the Garden of Eden, and Beth-ka being that thousand years, wherein the earth shall be a fruitful plain of great happiness and Joy. Yea, upon seeing this, I did also see that Beth-ke is a Terrestrial state also, it being that

state among those living in the Zion of Enoch, and like unto the final state of the glory of the moon.

12. I saw that Beth-ki, is the first degree of the Celestial state, Beth-ko, being the second, and Beth-ku being the highest degree of Celestial felicity, glory, happiness and Joy among the gods. Wherefore Beth-ku-Ain-triette is the celestialization of the whole earth, and E-beth-ku-ain-triette of all the expanse, even of all a Reu-kiyang, or the celestialization of a whole Universe.

13. And thus E-beth-ka is the place where God Ahlish resides, even our Hayah Apion, close unto Kolob.

Hayah is the Heavenly Father of all spirits, only adopting them unto Ahman Michael, who is our Adam, and Benbanuh his only Begotten Son is full of Grace and Truth, Hayah manifesting His Love unto us through Him. From Creation unto Judgement, Hayah has done it all through His only Begetten Son, His Aleph, even the creation and redemption of Jehohel, Ahman's planet.

14. I Abraham also saw that I was the sixth High-Priest under Adam, after Baeth-ku, which is after Baeth-ko, which is after Baeth-ki, which is after Baeth-kee, and Baeth-ka is Adam, who is under Benbanuh the great High Priest of all High Priests Alchebeth. His grace is sufficient unto those who Believe.
